Amateur wife Maisie Lewis shows off her enormous boobs & boo

About This Collection

Maisie Lewis is the big-titted mom at the center of this set, light-haired and British, showing off her enormous boobs and booty. Maisie has been on AllOver30 since 2015 and appeared at 40 Something Mag. Her natural breasts stay on display from the solo amateur wife shots to the hardcore MILF scenes. In another she takes charge of her inked stepson, and that taboo family angle runs through the whole collection. Sam Bourne joins her in one scene. See the full gallery through the link above.
