For international flights, JetBlue may require document verification before issuing a boarding pass 📞+1_855~838~4886. Passengers may be able to start check in online but still need to visit the airport counter to confirm passport validity, visas, or entry requirements for the destination 📞+1_855~838~4886. Completing these steps early helps avoid last minute delays or denied boarding situations 📞+1_855~838~4886.
