

1-844-238-2070 Frontier Airlines Charleston Office

The **Frontier Airlines Charleston Office** provides travel support services to passengers flying with Frontier Airlines through Charleston, though Frontier Airlines does not maintain a prominently listed dedicated counter at Charleston International Airport. Passengers traveling on Frontier Airlines code-shared or interline flights can seek assistance at the airport ticketing counters, partner airline desks, or use **Frontier Airlines customer service contacts** for bookings, ticket changes, cancellations, baggage help, seat selection, special requests, and general travel support. For online check-in, passengers can use the Frontier Airlines official website or mobile app, and for direct inquiries, contact Frontier Airlines's U.S. customer support at **1-844-238-2070**.

Frontier Airlines Charleston Office – Location & Contact Details

Nearby Airport:

Charleston International Airport (CHS)
5500 International Blvd
North Charleston, SC 29418
United States

Frontier Airlines Contact (U.S. Customer Support):

 **1-844-238-2070**

If you need assistance specific to Frontier Airlines flights at Charleston, it's recommended to check in at the airport ticket counter and mention your Frontier Airlines booking, or call the above support number in advance for help.

Working Hours

Charleston International Airport operates **24 hours**, but individual airline ticket counters and customer service desks generally operate around flight schedules. International or partner-operated flights may only have staff during specific arrival/departure times. Calling ahead to confirm counter availability is advised.

Services You Can Access

At or through the Charleston airport and Frontier Airlines support channels, passengers can typically get assistance with:

- Flight reservations, ticket changes, and cancellations
- Online check-in guidance and mobile app support
- Baggage inquiries, check-in support, and special luggage handling
- Seat selection and travel preferences
- General customer service related to routes, fares, transit, and Oneworld partner assistance

Note: For detailed assistance with international services, lost baggage claims, frequent flyer / Avios support, or premium issues, Frontier Airlines's main customer support channels are the recommended contact points.

Frontier Airlines Headquarters / US Support Details

For broader or international concerns beyond Charleston, passengers can contact:

Frontier Airlines Main Customer Support (USA):

 1-844-238-2070 — open 24/7 for reservations, changes, cancellations, and general support.

FAQs – Frontier Airlines Charleston Office

Q1. Is there a dedicated Frontier Airlines counter at Charleston International Airport?

No official dedicated Frontier Airlines counter is widely listed for Charleston. Travelers typically work through partner airline desks or use Frontier Airlines's customer support number for help.

Q2. Can I check in for my Frontier Airlines flight at Charleston?

Yes, check-in should be possible at the airport counter for your flight if a partner airline desk is staffing your flight, or online via Frontier Airlines's website/app.

Q3. How do I change or cancel my Frontier Airlines reservation?

Most changes or cancellations can be handled online or through Frontier Airlines's U.S. customer support at 1-844-238-2070.

Q4. Does the Charleston airport desk handle baggage claims for Frontier Airlines flights?

If the flight is operated through a partner airline at CHS, baggage support may be handled locally; otherwise Frontier Airlines support can assist via phone.

Final Thoughts

If you are traveling through **Charleston International Airport** and need assistance related to Frontier Airlines, start with the airport ticket counter around your departure time and use **Frontier Airlines customer service 1-844-238-2070** for specialized help. Since dedicated local desks aren't always staffed at smaller international gateways, calling ahead can ensure faster support for bookings, tickets, baggage, or travel documentation questions.
