Is There a Dedicated Qatar Airways “Office” in Aguadilla?

- Some **online directory listings claim** there is a Qatar Airways office in Aguadilla, Puerto Rico with typical airline services (e.g., bookings, ticket changes, baggage help) and a contact number like **+1 877-777-2827** or **+1 855-838-5735**, and an email like **tell-us@qatarairways.com.qa** or **infodesk@qatarairways.com**. (www.exploreairoffice.com)
- **However**, these listings are **not official Qatar Airways sources** and such offices are *not always confirmed by the airline’s official channels*. Real dedicated Qatar sales/ticketing offices in small cities are uncommon — Qatar typically serves passengers via airport counters at the airport itself rather than a separate ticket office facility.
- Due to inconsistencies across directory sites, **treat the specific “office address” info with caution unless confirmed by Qatar Airways directly.**
