Here's the accurate situation regarding Southwest Airlines and a Luxembourg presence:

Southwest Airlines Luxembourg Office

- Southwest Airlines does **not** have an official office, corporate branch, or local sales office in Luxembourg. There is no publicly listed address or business office of Southwest Airlines in Luxembourg City or elsewhere in the country.
- Luxembourg's main airport (Luxembourg Airport – LUX) hosts several airlines and services, but Southwest Airlines is not listed as operating or having an official presence there. ([lux-Airport](#))

How to Contact Southwest from Luxembourg

Since there's no local office, your best options for support are through Southwest Airlines' official global customer service channels:

Official Customer Service Contact

- **General phone support:** +1-800-435-9792 (1-800-I-FLY-SWA) – this U.S. number is listed as the main contact for reservations, changes, and general inquiries and can be dialed internationally (rates may vary). ([Help Center | Southwest Airlines](#))
- **Online & Live Chat:** Use the official Southwest contact page on their website for email, live chat, or specialized support based on your travel needs. ([Southwest Airlines](#))

Airport / Travel Assistance

- Luxembourg Airport does **not list Southwest Airlines as a carrier at LUX**, so there typically would not be an airport ticket counter or service desk for Southwest at this airport. ([lux-Airport](#))
- For airport-related flight status or ground handling assistance (if you have a Southwest itinerary involving connections), you would contact the airport's general information desks or your connecting airline's service point.

Corporate Headquarters (For Reference)

- **Southwest Airlines headquarters:**
2702 Love Field Dr, Dallas, TX 75235, USA – This is the airline's main corporate office.
- All international and regional support for passengers outside the U.S. is handled through global customer service and online tools, not local offices in Europe. ([FlightsOffices](#))

 **Summary:**

Southwest Airlines does **not** maintain a corporate or sales office in Luxembourg. Travelers in Luxembourg should use **Southwest's international customer service phone numbers and online support** for reservations, changes, or questions about flights. ([Help Center | Southwest Airlines](#))
