

# 1-866-829-1086 Southwest Airlines Manila Office

Southwest Airlines **does not have an official standalone corporate office or local sales office in Manila, Philippines** listed on its own website or airline corporate directories — instead, support for Filipino travelers is generally done through **customer service channels** and, in some cases, via partner arrangements. ## Manila Airport Presence (Indirect / Service Counters)

  - **Airport:** Ninoy Aquino International Airport (Andrews Ave, Pasay, Metro Manila 1300, Philippines) ([Flight Terminal Info](#))

## Customer Service (Best Official Way to Reach Southwest)

Because Southwest does not operate regular scheduled flights to/from Manila and does not list an official Manila office, the **most reliable way to get help** if you're in the Philippines is through Southwest's official support channels:

- **Visit Southwest's official contact page:** [https://www.southwest.com/contact\\_us/](https://www.southwest.com/contact_us/) ([Southwest Airlines](#))
- **Call Southwest customer support:** Use the U.S. customer service line (such as 1-800-435-9792) — accessible from abroad (rates may vary). ([Flight Terminal Info](#))

## Philippine Airlines Partnership (Relevant Context)

Southwest Airlines and **Philippine Airlines (PAL)** recently announced a *new interline partnership*, allowing passengers to book combined itineraries that connect Southwest's U.S. flights with PAL's long-haul network, including services connected via Manila. ([Southwest Airlines Co.](#))

This does **not** represent a local Southwest corporate office in Manila, but it *does* mean easier travel booking and connections between the two carriers for passengers in the Philippines.
