

# 1-866-829-1086 Southwest Airlines Melbourne Office

Here's the current situation regarding **Southwest Airlines** and any office presence in **Melbourne, Australia**:

## Southwest Airlines in Melbourne

- Southwest Airlines **does not have a standalone corporate or branch office in Melbourne, Australia** listed in official airline sources.
- What exists for passengers are **international customer service options (phone/email)** and possibly *airport service counters* — but not a dedicated Southwest office open to the public in Melbourne itself. ([Southwest Airlines](#))

### 1. Corporate Headquarters

For corporate, administrative, or global airline queries, the main headquarters is:

#### **Southwest Airlines**

2702 Love Field Dr, Dallas, TX 75235, USA

(This is Southwest's main global office — not in Australia.) ([Southwest Airlines](#))

### 2. Customer Service (International Support)

Since Southwest operates primarily out of the U.S. and does not serve Melbourne with regular flights or a physical office there, you would use **their official international customer service channels**:

- **General Customer Support:** +1-800-435-9792 (U.S. toll-free) ([www.findairlinesoffice.com](http://www.findairlinesoffice.com))
- **Official Contact Page:** Accessible via Southwest's website (Support/Contact Us section) for email, live chat, or phone support tailored to international inquiries. ([Southwest Airlines](#))

### 3. Melbourne Airport (MEL)

Southwest Airlines does *not* operate scheduled flights into **Melbourne Airport (MEL)** with its own service counters, so there's no dedicated Southwest ticket counter or service office listed at Melbourne Airport. ([Wikipedia](#))
