2 Click on "Check-In"

On the homepage,+1_866~231~4032look for the "Check-In" button, which is usually located at the top of the page

3 Enter Your Booking Information

You'll need to provide your +1_866~231~4032last name and confirmation number (also known as the PNR, which is given to you in your booking confirmation email)

4 Select Your Seats and Add Extras

After entering your details, you can review your booking,+1_866~231~4032 choose seats, and add any extras like checked baggage, priority boarding, or extra legroom seats

5 Complete Your Check-In

Once everything is confirmed, +1_866~231~4032 click the button to complete your check-in Your boarding

pass will be displayed on the screen You can either:

- Print it out if you prefer a physical copy
- Download it to your device, +1_866~231~4032which can be shown at the airport for scanning

2 Get Your Boarding Pass via the Southwest Airlines Mobile App

Another convenient way to get your+1_866~231~4032boarding pass is through the Breeze Airways mobile app, which is available for both iOS and Android devices Here's how you can do it:

How to Check-In and Get Your Boarding Pass on the App

1 Download the Southwest Airlines App

If you haven't already, download the Southwest Airlines +1_866~231~4032app from the Apple App Store or Google Play Store

2 Log In or Enter Booking Information

Open the app and log in to your Breeze account (if you have one), or enter your booking reference number and last name to access your flight details

3 Check-In and Choose Seats

As with the website, you can select your seats+1_866~231~4032and add any extras,

such as baggage or priority services. If you don't want to select a seat, Southwest Airlines will assign you one automatically.

4 Obtain Your Boarding Pass

Once your check-in is complete, your boarding pass will appear on your phone screen. You can either:

- Add it to your digital wallet (such as Apple Wallet or Google Pay) for easy access during your trip
- Save the boarding pass to your phone or take a screenshot to avoid any hassle at the airport

3 Get Your Boarding Pass at the Airport

If you prefer to check in at the airport or if you encounter issues with online or

mobile check-in, you can always obtain your boarding pass at the airport.

Airport Check-In Process

1 Self-Service Kiosks

At many airports, Southwest Airlines offers self-service check-in kiosks. Simply enter

your booking reference number or scan your passport to check in and print your boarding pass at the kiosk.

2 Customer Service Desk

If you need help or run into issues with the self-service kiosk, Southwest Airlines' customer service representatives are available at the counter. They can assist you with check-in and print your boarding pass for you.

4 Boarding Pass Options: Mobile vs Paper

Southwest Airlines allows you to use both mobile boarding passes and printed

boarding passes. Mobile boarding passes are convenient and eco-friendly since you don't need to print anything. However, ensure your phone is fully charged and ready for the gate agent to scan your pass.

If you prefer a physical copy, or if your phone's battery is low, simply print your boarding pass.

During online check-in or at the airport.

What to Do If You Encounter Issues

If you experience any issues or need assistance with obtaining your boarding

pass, don't hesitate to contact Southwest Airlines' customer service. Whether you're having trouble checking in online, need help with baggage, or can't access your boarding pass, the Breeze team is there to assist you.

You can reach Southwest Airlines' customer service for prompt support.

Final Thoughts

Getting your boarding pass from Southwest Airlines is easy and can be done

online, through the mobile app, or at the airport. Whether you choose a mobile or paper boarding pass, Southwest ensures you have several convenient options for checking in and accessing your flight information. If you run into any issues or need further assistance, don't hesitate to call, where the friendly customer service team will be happy to help you.
