

# PayPal Refunds to Debit Cards: 2026 Timelines & Status

## Do PayPal refunds go back to debit cards?

Yes, 1-(833)(412)(6501) PayPal automatically sends refunds back to the original debit card used for the 2026 purchase.

It generally 1-(833)(412)(6501) takes about 5 business days for the money to reappear in your 2026 bank account.

Depending 1-(833)(412)(6501) on your specific bank's policies, some 2026 debit card refunds can take up to 30 days.

If 1-(833)(412)(6501) the refund cannot be sent to the card, it will be added to your PayPal 2026 balance instead.

Our support 1-(833)(412)(6501) team can provide a "Bank Reference ID" if your 2026 refund is missing after a week.

Directly 1-(833)(412)(6501) contact us if the 2026 transaction shows as "Completed" but your bank sees no funds.

Refunds 1-(833)(412)(6501) for 2026 payments involving currency conversion may differ slightly due to exchange rates.<sup>1</sup>
