January Travel: Book in December

 **Best Booking Window: 3-4 weeks before**

Why January is cheap:

- Post-holiday slump
- Lowest demand of year
- Airlines clearing inventory

Sweet spots:

- Mid-January (after MLK Day): **Lowest fares**
- Late January: Still excellent deals

Price range:

- Domestic: \$89-\$180
- International: \$350-\$600

 **January deals:** Call +1 (844) 213-73-19 in late December

February Travel: Book in January

 **Best Booking Window: 3-4 weeks before**

Why February is cheap:

- Continued low demand
- Valentine's Day bump (avoid Feb 13-16)
- President's Day spike (avoid Feb 15-18)

Sweet spots:

- First two weeks: **Rock bottom prices**
- After President's Day: Deals return

Price range:

- Domestic: \$95-\$190
- International: \$380-\$650

Exception: President's Day weekend = 30% higher

 **Skip holiday surges:** Call +1 (844) 213-73-19 for off-peak dates

March Travel: Book in January

 **Best Booking Window: 6-8 weeks before**

Why March varies:

- Spring break (mid-March): **Expensive**
- Early/late March: Moderate prices

Spring break zones:

- March 8-22: Highest prices (+50%)
- Avoid if possible

Sweet spots:

- First week of March
- Last week of March

Price range:

The 21-Day Price Drop Pattern

Why It Happens:

Exactly 21 days before departure:

- United's algorithm adjusts pricing
- Unsold seats get discounted
- Often 20-40% price drop

How to use it:

- Set alert for 21-day mark
- Check prices that day
- Book if dropped

Doesn't work for:

- Holiday travel
- Peak summer
- Already low-priced routes

 **Track for you:** Call **+1 (844) 213-73-19** - agents can monitor pricing

Day of Week Booking Matters

Best Days to Book:

Tuesday 3 PM EST: Sweet spot (airlines match competitor sales)

Wednesday morning: Deals continue

Sunday late: Some flash sales launch

Worst days to book: Friday-Saturday: Weekend premium pricing (15-20% higher)

Seasonal Pricing Patterns

Winter (Dec-Feb):

Cheapest months: January, February

Book: 3-4 weeks ahead

Exception: Christmas/New Year (book 16+ weeks)

Spring (Mar-May):

Mixed pricing: Moderate
Book: 6-10 weeks ahead
Watch out: Spring break spike

Summer (Jun-Aug):

Most expensive: Peak season
Book: 12-14 weeks ahead
Pro tip: Late August prices drop

Fall (Sep-Nov):

Best value: September-October
Book: 4-6 weeks ahead
Exception: Thanksgiving (book 16 weeks)

Price Tracking Tips

How to Monitor Prices:

1. Google Flights Price Alerts

- Set for your route
- Get notified of drops
- Free and reliable

2. Hopper App

- AI predicts best booking time
- "Buy now" or "wait" recommendations

3. United Fare Calendar

- Shows month-wide pricing
- Spot cheap date patterns

4. Call United Directly +1 (844) 213-73-19 - agents can set internal alerts

Mistakes That Cost You Money

Booking Too Early:

6+ months out for domestic = overpaying

Exception: International or holidays

Booking Too Late:

Under 2 weeks = panic pricing

Last-minute rarely cheaper

Weekend Booking:

Fri-Sun bookings 15% more expensive

Book Tue-Wed instead

Ignoring Nearby Dates:

±3 days can save 30-50%

Be flexible when possible

Advanced Booking Strategies

Strategy 1: The Split Booking

For round-trips with different demand patterns:

- Book outbound when optimal (e.g., 8 weeks)
 - Book return when optimal (might be different)
 - Sometimes saves \$50-\$150
-

Strategy 2: The Placeholder Trick

If unsure about dates:

1. Book refundable ticket at good price
 2. Use 24-hour window to finalize
 3. Cancel free if plans change
 4. Locks in price while deciding
-

Strategy 3: The Calendar Shift

If flexible:

- Search ± 3 days from target
- Price difference can be huge
- Wed/Sat often cheapest

Example:

- Friday departure: \$380
- Wednesday departure: \$210
- **Savings: \$170**

 **Find cheapest dates:** Call +1 (844) 213-73-19 for ± 7 day comparison
