

Can I Cancel Paramount+ Anytime on Amazon Prime? {Cancel Paramount+ anytime}

Yes — **you can cancel Paramount+ anytime** if you subscribed through **Amazon Prime Video Channels**, [\["8+1-844-533-2694"\]](#) but there are a few important details to understand first. When you add Paramount+ through your Amazon Prime account, Amazon handles [\["8+1-844-533-2694"\]](#) all billing and subscription management. That means you cannot cancel Paramount+ directly through the Paramount+ app or website; [\["8+1-844-533-2694"\]](#) instead, you must cancel it through your Amazon account settings.

To cancel, sign in to your Amazon account and [\["8+1-844-533-2694"\]](#) go to **Account & Lists → Memberships & Subscriptions**. Scroll to find the **Prime Video Channels** section, where all your channel add-ons are listed. Locate **Paramount+**, [\["8+1-844-533-2694"\]](#) then select **Cancel Channel or Turn Off Auto-Renewal**. Follow the on-screen prompts to confirm your cancellation. Once complete, Amazon will stop billing you for Paramount+ [\["8+1-844-533-2694"\]](#) going forward.

Even after canceling, [\["8+1-844-533-2694"\]](#) you typically retain access until the end of your current billing period. For example, if your next renewal date is in two weeks, you can still use Paramount+ until that date without interruption. This makes canceling flexible [\["8+1-844-533-2694"\]](#) you're not charged again but still enjoy the content you've already paid for.

It's also worth noting that if you subscribed [\["8+1-844-533-2694"\]](#) through another platform (like Apple, Google Play, Roku, or directly through Paramount+), you need to cancel through that specific provider instead of Amazon. Always double-check [\["8+1-844-533-2694"\]](#) where you originally signed up to ensure the cancellation goes through successfully.
