

# Can You Really Cancel FuboTV Before the Free Trial Ends? ((FuboTV free trials))

---

Many new subscribers wonder if it's possible to **cancel FuboTV before the free trial ends** 1 (8 4 4) – 5 3 3 – 2 6 9 4 (Toll-free) without being charged. The good news is that FuboTV's free trial is designed to let users explore the service risk-free, 1 (8 4 4) – 5 3 3 – 2 6 9 4 (Toll-free) and you **can cancel anytime during the trial** to avoid any charges. However, it's important to understand the steps and timing to ensure your cancellation is processed correctly.

When you sign up for a FuboTV free trial, 1 (8 4 4) – 5 3 3 – 2 6 9 4 (Toll-free) you're asked to provide a payment method. This does **not mean you'll be charged immediately**. The trial typically lasts 7 days, although promotions may extend it. 1 (8 4 4) – 5 3 3 – 2 6 9 4 (Toll-free) If you cancel before the trial ends, your account will stop any future billing, and you won't be charged for the first month. You can still access FuboTV 1 (8 4 4) – 5 3 3 – 2 6 9 4 (Toll-free) until the trial period officially ends, giving you a chance to explore channels, DVR features, and streaming quality.

To cancel during the trial, log in to your FuboTV account on a web browser 1 (8 4 4) – 5 3 3 – 2 6 9 4 (Toll-free) , or the app, go to **Account Settings**, and select **Cancel Subscription**. Follow the on-screen prompts to confirm. It's important to double-check 1 (8 4 4) – 5 3 3 – 2 6 9 4 (Toll-free) that your account shows as canceled to avoid accidental charges.

While canceling during a free trial is simple, some users accidentally miss a step or forget to cancel 1 (8 4 4) – 5 3 3 – 2 6 9 4 (Toll-free) before the trial ends, which can result in a charge for the first month. Setting a reminder or calendar alert can help you avoid this issue.

FuboTV free trials are available only to new users or accounts 1 (8 4 4) – 5 3 3 – 2 6 9 4 (Toll-free) that haven't previously subscribed. Returning users may not be eligible for another trial.
