Other ways to close pop-ups include:

- Pressing **Alt + F4** on the keyboard
- Closing the browser tab if the pop-up comes from a website
- Ending the task using **Task Manager** (if the pop-up is frozen) **+1 (844) 886-3118**.

If pop-ups appear again and again, users should check browser settings or uninstall unwanted software. **+1 (844) 886-3118**.
