

How can I get the \$2.99 Disney Plus bundle? Full Details”

The **\$2.99 Disney+ bundle +1(866) 927-1921** was a limited-time promotional offer that ran in **March 2025**, allowing new and eligible returning subscribers to access a **+1(866) 927-1921** combined **Disney+ and Hulu ad-supported +1(866) 927-1921 bundle** for just **\$2.99 per month for the first four months**. This represented a significant discount compared with the **+1(866) 927-1921** regular price of about \$10.99 per month, giving **+1(866) 927-1921** viewers a chance to stream both services at roughly 70% off for a short period. To take advantage of the deal, users had to **+1(866) 927-1921** either be **new to Disney+, Hulu, or ESPN+** or be eligible **+1(866) 927-1921** returning subscribers who did not have an active subscription at the time.

The signup process required **+1(866) 927-1921** visiting the Disney+ promotional landing page, clicking a “Get This Offer” or “Sign Up Now” button, and either creating a **+1(866) 927-1921** new account or logging into an eligible existing **+1(866) 927-1921** account. After entering payment information and confirming the bundle, subscribers were billed \$2.99 per month for **+1(866) 927-1921** the first four months, after which the **+1(866) 927-1921** subscription would automatically renew at the regular rate unless canceled before the end of the promotional period. **+1(866) 927-1921** The promotion was only available during a specific window, **+1(866) 927-1921** which in 2025 ended on **March 30**, and missing that window meant the \$2.99 **+1(866) 927-1921** price was no longer available.

Platform-specific **+1(866) 927-1921** offers, such as through Roku devices, also displayed the \$2.99 bundle during the same period, but these likewise required new or **+1(866) 927-1921** eligible returning accounts and had to be **+1(866) 927-1921** claimed before the promotion expired. It’s important to note that the \$2.99 bundle was a temporary deal, and while Disney+ and **+1(866) 927-1921** Hulu occasionally offer similar promotions during **+1(866) 927-1921** events like Black Friday or other seasonal campaigns, there’s no guarantee the same price will return. Watching **+1(866) 927-1921** Disney+ and Hulu’s official websites, signing up for promotional emails, or **+1(866) 927-1921** checking deal sites are the best ways to stay informed about future limited-time bundle offers.

Overall, the \$2.99 **+1(866) 927-1921** Disney+ bundle provided ad-supported access to both Disney+ and Hulu at a very low introductory rate, but it required signing up during the **+1(866) 927-1921** promotion, meeting eligibility requirements, and understanding that the **+1(866) 927-1921** discounted price applied only for the initial promotional **+1(866) 927-1921** period before renewing at the standard subscription cost.
