Method 3: Name Correction (Not Change)

Important Distinction:

"Correction" vs. "Change":

Correction = Fixing error (often FREE)

- "Jhon" → "John"
- System recognizes as same person

Change = Different name (fee applies)

- "John" → "Jane"
- Completely different person

How to frame it: *"I need a name CORRECTION for a typo"* (not "change")

Agents more likely to waive "corrections"

When Fee Might Apply

 **May Incur \$50-75 Fee:**

Multiple errors:

- 4+ letters different
- Several typos
- Looks like different person

Caught too late:

- Several days after booking
- Shows lack of attention

Third-party bookings:

- Booked through Expedia, etc.
- Their fees + Southwest's fees

No clear documentation:

- Can't prove correct spelling
- Suspicious circumstances

Still worth asking for waiver!

Best Practices to Avoid Typos

 **Before Clicking "Purchase":**

1. Type Slowly

- Don't rush passenger info
- One letter at a time

2. Compare to ID

- Have ID in front of you
- Match character-by-character

3. Turn Off Autocorrect

- Disable for name fields
- Major cause of errors

4. Use Copy-Paste

- From another document where name is correct
- Reduces typo risk

5. Double-Check Before Paying

- Review page before submit
- Easiest time to catch errors

6. Get Second Set of Eyes

- Have someone else check
- Fresh eyes catch mistakes

After You Book: Immediate Steps

Within 5 Minutes of Confirmation Email:

Review entire booking:

- Passenger name spelling
- First name correct
- Middle name/initial correct
- Last name correct
- Matches ID exactly

If ANY error found:  Call +1 (844) 565-1867 IMMEDIATELY (within 24 hours = free fix)

International Travel Considerations

Extra Strict on International:

Passport must match EXACTLY:

- Middle names matter
- Hyphens matter
- Suffixes (Jr., Sr.) matter
- Spacing matters

Common issue:

- Ticket: "Mary Ann Smith"
- Passport: "Maryann Smith" (no space)
- **Result:** Denied boarding

Fix ASAP if international flight

 **International booking?** Call **+1 (844) 565-1867** - verify exact format

What Counts as "Matching" ID

Acceptable Variations:

These usually OK:

- Middle name on ID, not on ticket (or vice versa)
- "Jr." on ID, not on ticket (domestic only)
- Different spacing in compound names (case-by-case)

Not OK:

- Different spelling (even 1 letter)
- Different first/last names
- Nickname vs. legal name

When in doubt: Make ticket match ID exactly

 **Verify matching:** **+1 (844) 565-1867**

TSA PreCheck / Global Entry Concerns

Known Traveler Number:

If name misspelled:

- KTN may not work
- Lose PreCheck benefits for that flight

Fix benefits name issue:

- Correct ticket name
- Re-enter KTN
- Should populate correctly

 **KTN not working?** Call **+1 (844) 565-1867** after name fix
