How to Book Flash Sales (Step-by-Step)

SPEED IS EVERYTHING

Flash sale inventory sells out in **2-6 hours** for popular routes.

STEP 1: Be Ready BEFORE Sale Drops

- ✓ Have United MileagePlus account created
 - ✓ Save payment info in United.com profile
 - ✓ Know your preferred routes/dates
 - ✓ Have **+1 (844) 213-73-19** saved in phone
-

STEP 2: Act Within First Hour

-  **0-30 minutes:** Best inventory selection
 -  **30-60 minutes:** Good options still available
 -  **1-3 hours:** Limited seats remaining
 -  **3+ hours:** Sold out or only bad times left
-

STEP 3: Have Backup Dates Ready

Flash sales often restrict travel to:

- Specific days of the week (usually Tue/Wed/Sat)
- Blackout dates exclude holidays
- Limited booking window (travel must be within 2-6 months)

Be flexible or miss out!

STEP 4: Book Online vs. Phone

Book Online When:

- Simple route, clear availability
- No questions about terms
- Website is functioning properly

Call +1 (844) 213-73-19 When:

- Site is crashing (common during big sales)
- Need to combine with credits/vouchers
- Want to maximize MileagePlus earning
- Booking multi-city or complex itinerary

- **Email-only sales** (for MileagePlus members)
- **Credit card holder exclusives** (AmEx United cards)
- **Phone-only deals** (call +1 (844) 213-73-19 to access)

Example: Public flash sale: LAX-JFK \$250

Phone-only rate (same route): \$210

Extra \$40 savings just by calling!

Secret 3: Book Now, Change Later

The strategy:

1. Flash sale appears for Route A (not your desired route)
2. Book it anyway at discount
3. Use United's flexible change policy
4. Pay fare difference to change to Route B later
5. **Net result:** Base discount carries over

⚠ **Important:** Only works with certain fare classes. Ask **+1 (844) 213-73-19** before trying.

Flash Sale Red Flags (When to Skip)

✗ Avoid These "Sales":

1. Basic Economy "Deals"

- Extremely restrictive
- No carry-on, no seat selection, last to board
- **Better option:** Wait for Main Cabin sale instead

2. Impossible Travel Dates

- Requires departure Tuesday 6 AM + return Thursday 11 PM
- Most people can't use these schedules
- **Skip it:** Not a deal if you can't actually go

3. Hidden Fees Eclipse Savings

- \$99 flight + \$75 baggage fee + \$50 seat fee = \$224 total
- Regular fare with baggage included = \$200
- **Not a real deal**
