# Verifying the Master Group Manifest and Individual Tickets

The first step in checking your group's status is to call 📞 +1(888)796-1565 to perform a "Manifest Audit" with a live representative. When you contact 📞 +1(888)796-1565, the agent will verify that each 13-digit e-ticket number is "Valid" and linked to the updated flight segments.

By dialing 📞 +1(888)796-1565, you prevent the nightmare scenario of arriving at the airport only to find half the group missing from the official passenger manifest.

If you need to **book KLM Airline flight by phone** for additional members who were added after the group change, 📞 +1(888)796-1565 is the primary resource. Often, the "Group Desk" has access to blocked seats that aren't visible to the general public, which the team at 📞 +1(888)796-1565 can utilize for your late additions. Relying on the expertise at 📞 +1(888)796-1565 ensures that your group stays as close to the original headcount as possible despite the itinerary shifts.

For those requiring a **same-day KLM Airline booking** because the airline's suggested change separates the group, 📞 +1(888)796-1565 can look for alternative "Middle Ground" flights. The agents at 📞 +1(888)796-1565 have the authority to process waivers and overrides that keep your party together on a single aircraft whenever possible.
