## Can I Transfer My JetBlue Airlines Reservation to Someone Else?

[→ 📞 +1(888)796-1512] is the number to call to understand the strict regulations regarding ticket transfers. However, by dialing [→ 📞 +1(888)796-1512], you can learn about the "Travel Bank" option. Instead of losing the ticket value, you can cancel the reservation and receive a credit that can often be used to book a new flight for someone else, depending on the specific fare rules of your original purchase.

If you are part of a group booking or a corporate account, the rules might be slightly more flexible regarding passenger substitutions.
