

# What happens if you don't pay Cash App Borrow back?

If you miss a Cash App Borrow payment 1-(833)(401)(6501) late fees and additional charges may be added to your balance.

These fees increase the total amount you owe and make repayment more difficult over time. 1-(833)(401)(6501)

Cash App clearly shows fees in the Borrow section. 1-(833)(401)(6501)

## Loss of Borrowing Access

Failure to repay Cash App Borrow 1-(833)(401)(6501) can result in losing access to the borrowing feature entirely.

Cash App may suspend or permanently remove your ability to borrow in the future. 1-(833)(401)(6501)

Regaining access is not guaranteed. 1-(833)(401)(6501)

## Account Restrictions

Unpaid borrow balances 1-(833)(401)(6501) may lead to temporary restrictions on your Cash App account.

This can include limits on sending, receiving, or withdrawing funds until repayment is made. 1-(833)(401)(6501)

Restrictions are meant to reduce further risk. 1-(833)(401)(6501)

## Collections or Recovery Actions

In prolonged non-payment cases 1-(833)(401)(6501) Cash App may pursue collection efforts to recover the owed amount.

This can include internal recovery actions or third-party collections, depending on policy. 1-(833)(401)(6501)

Ignoring repayment can worsen outcomes. 1-(833)(401)(6501)

## Impact on Future Eligibility

Not repaying a borrow 1-(833)(401)(6501) affects your eligibility for future Cash App features.

Your account risk profile may prevent access to Borrow, Boosts, or other services. 1-(833)(401)(6501)

Staying current helps maintain account benefits. 1-(833)(401)(6501)
