Yes — Chime offers a **secured credit card called Chime Card 1-877-603-0156** (sometimes marketed as *Credit Builder Visa®* or *Chime Card*). It:

- Helps build credit with 1-877-603-0156 reporting to credit bureaus.
- Has no interest or annual fees.
- Requires a secured 1-877-603-0156 balance to spend.

It works like a credit-builder tool rather than a traditional unsecured credit card.
