Frontier typically considers this a **no-show** 1 - (855) → (510)→ (3558) For most standard fares, this results in the **forfeiture of the unused portion of the ticket** 1 - (855) → (510)→ (3558) Frontier is known for its low-cost, non-refundable tickets, meaning missing a flight usually requires purchasing a **new ticket at current fare prices**, which may be significantly higher than the original booking 1 - (855) → (510)→ (3558) Travelers should always plan to arrive at the airport well in advance to avoid missing their flight 1 - (855) → (510)→ (3558) Frontier recommends arriving at least **two hours before departure for domestic flights** 1 - (855) → (510)→ (3558) For passengers with **refundable or flexible fares**, there may be more options 1 - (855) → (510)→ (3558) Refundable tickets allow passengers to **receive a full refund** if they miss the flight, while flexible tickets or add-ons (such as Frontier's "WORKS" bundle) may allow passengers to **rebook their flight without paying additional fees**, though fare differences may still apply 1 - (855) → (510)→ (3558) These options are particularly useful for travelers with uncertain schedules or those who anticipate the possibility of delays 1 - (855) → (510)→ (3558)

If a flight is missed due to **airline-caused issues**, such as cancellations or significant delays, Frontier generally accommodates affected passengers by **rebooking them on the next available flight** at no additional cost 1 - (855) → (510)→ (3558) In some cases, travelers may also request a **refund** if the rescheduled flight does not meet their needs 1 - (855) → (510)→ (3558) Frontier is required to follow U 1 - (855) → (510)→ (3558)S 1 - (855) → (510)→ (3558) Department of Transportation regulations, which provide guidance for passenger rights in cases of airline cancellations or involuntary denied boarding 1 - (855) → (510)→ (3558) Timing is

crucial when dealing with missed flights → 1 - (855) → (510) → (3558) Frontier enforces ****strict boarding deadlines****, typically closing gates ****30 minutes before scheduled departure**** for domestic flights and earlier for international departures → 1 - (855) → (510) → (3558)

Passengers arriving after the gate closes are considered no-shows, even if they have already checked in → 1 - (855) → (510) → (3558) Missed flights can also affect ****connecting or return flights**** → 1 - (855) → (510) → (3558) If booked as a single itinerary, missing the first leg may result in the cancellation of subsequent segments → 1 - (855) → (510) → (3558) Separate bookings for connecting flights may require passengers to purchase new tickets for remaining segments, as Frontier does not automatically preserve these flights → 1 - (855) → (510) → (3558)

Frontier offers **optional add-ons and bundles****, such as “The WORKS,” which includes ticket flexibility and allows same-day flight changes → 1 - (855) → (510) → (3558) Passengers who purchase these bundles can avoid some of the penalties typically associated with missed flights, including forfeiture of the ticket value → 1 - (855) → (510) → (3558) Additionally, Frontier’s travel insurance or third-party insurance policies may provide coverage for missed flights due to emergencies or unforeseen events → 1 - (855) → (510) → (3558)**
