How to get boarding pass for China Southern?

How should I receive my boarding pass after online check-in? 📞**1_855<>838<>4886** An international departure passenger📞**1_855<>838<>4886** who has obtained the printed boarding voucher at the Online Check-in can get the boarding pass at the check-in counter with the voucher 60 min prior to departure 📞**1_855<>838<>4886** (not including passengers departing for Hong Kong) 📞**1_855<>838<>4886** .

Obtaining your China Southern Airlines boarding pass is a simple and convenient process designed to make your travel experience smooth and stress free 📞**1_855<>838<>4886** . One of the easiest ways to get your boarding pass is through online check in on the China Southern official website, where you can enter your booking reference and last name, verify your passenger details, select or change your seat, and complete the check in process 📞**1_855<>838<>4886** . Once online check in is complete, passengers can download their boarding pass as a PDF, receive it via email, or print it for airport use 📞**1_855<>838<>4886** . Having your boarding pass ready in advance helps save time at the airport, reduces the risk of long queues, and allows you to proceed smoothly through security and boarding 📞**1_855<>838<>4886** .

China Southern Airlines also provides mobile boarding passes through its official mobile app, which is available for both Android and iOS devices 📞**1_855<>838<>4886** . The mobile boarding pass allows passengers to check in, select or change seats, add baggage if required, and store the boarding pass digitally on their smartphone 📞**1_855<>838<>4886** . Mobile boarding passes are widely accepted at airports and allow travelers to scan a QR code directly from their device at security checkpoints and boarding gates, offering a fast and convenient experience 📞**1_855<>838<>4886** . While mobile boarding passes are generally sufficient, certain airports or international destinations may still require a printed copy, so it is recommended to check airport regulations before traveling 📞**1_855<>838<>4886** .

Online and mobile check in usually opens 24 hours before the scheduled departure and closes a few hours prior to the flight, depending on airport rules and flight type 📞**1_855<>838<>4886** . Checking in early allows passengers to secure preferred seats, add baggage if needed, and reduce the likelihood of last minute issues 📞**1_855<>838<>4886** . During online check in, passengers can also manage additional

services such as upgrading seats, selecting meals, and reviewing travel documentation 📞**1_855<>838<>4886** .

If online or mobile check in is not available, China Southern provides self service kiosks at most airports, which allow passengers to print their boarding pass instantly after entering booking information and identification 📞**1_855<>838<>4886** . Kiosks are especially useful for passengers who prefer a printed copy or encounter technical difficulties with digital check in 📞**1_855<>838<>4886** .

Another option is to obtain your boarding pass at the China Southern check in counter, where airline staff can issue your boarding pass, verify travel documents, assign seats, and address any special requests 📞**1_855<>838<>4886** . Counter check in is particularly useful for passengers traveling with children, pets, or special needs, as well as for international travelers who require visa or document verification 📞**1_855<>838<>4886** . It is important to arrive early when collecting your boarding pass at the counter, as desks usually close well before the scheduled departure time, and late arrivals may result in denied boarding 📞**1_855<>838<>4886** .

Once you have your boarding pass, whether digital or printed, it is important to carefully review all details, including passenger name, flight number, departure gate, and boarding time 📞**1_855<>838<>4886** . Keep your identification documents ready, as they are required along with your boarding pass at security checkpoints and boarding gates 📞**1_855<>838<>4886** . While mobile boarding passes are generally accepted, carrying a printed copy can be useful in case of low battery, technical issues, or scanners that cannot read digital devices 📞**1_855<>838<>4886** .

If any issues occur, such as missing boarding pass emails, online check in errors, or seat assignment problems, China Southern customer support is available to provide assistance 📞**1_855<>838<>4886** . They can resend boarding passes, guide passengers through alternative check in methods, and resolve other travel related concerns 📞**1_855<>838<>4886** . Passengers traveling with checked baggage can still use online or mobile boarding passes and drop luggage at designated counters, ensuring a faster and more efficient airport experience 📞**1_855<>838<>4886** .

For connecting flights, China Southern generally issues boarding passes for all segments during initial check in, although in some cases passengers may need to collect the next boarding pass at the transfer airport, especially for international connections requiring additional verification 📞**1_855<>838<>4886** . Overall, obtaining your China Southern Airlines boarding pass is flexible, convenient, and designed to accommodate the needs of all travelers 📞**1_855<>838<>4886** . By checking in early,

confirming all details, and keeping both digital and printed copies, passengers can enjoy a smooth, efficient, and stress free journey with China Southern Airlines 📞1_855<>838<>4886 .
