Dialing ☎️[+(1888) 260-0525] ensures that the split is handled correctly and that all loyalty miles or special requests for the separated passenger are properly migrated to the new flight.

Managing Last-Minute Flight Switches

When you need to make a change within 24 hours of your departure, the online "Manage Booking" tool may be locked, requiring you to call ☎️[+(1888) 260-0525] for urgent assistance. These "same-day" or "last-minute" switches are highly dependent on seat availability and the specific airport's close-out times, which are best monitored by an agent at ☎️[+(1888) 260-0525]. By reaching out to ☎️[+(1888) 260-0525] immediately, you increase your chances of securing a seat on a later flight before the manifest is finalized. Once your flight has been switched over the phone, it is vital to re-confirm your seat preferences and special meal requests by speaking with the agent at ☎️[+(1888) 260-0525]. Changing a flight time often means a change in aircraft or cabin layout, so your previously selected seat might not exist on the new flight; an agent at ☎️[+(1888) 260-0525] can help you find a comparable alternative. Additionally, services like wheelchair assistance or Chauffeur-drive must be re-synced with the new departure time, a task that is easily handled during your call to ☎️[+(1888) 260-0525].
