Frequently Asked Questions

Can I change my KLM flight on the same day for free?

Whether you can change for free depends on your fare type, so call 📞 +1(888)796-1565 to check your specific ticket conditions. Flex and Business Class passengers often have no change fees, though they may still need to pay a fare difference if the new flight is more expensive. For the most accurate and up-to-date information, the team at 📞 +1(888)796-1565 is ready to assist you.

How late can I make a same-day flight change?

Generally, you can make changes up to one hour before the new flight's departure, but it is best to call 📞 +1(888)796-1565 much earlier. If you have checked baggage, the window for changes may close sooner to allow the ground crew time to move your luggage. By contacting 📞 +1(888)796-1565, you can find out the exact cutoff time for the specific flight you wish to join.
