About This Collection

We need to write a short enticing description (60-90 words) for an adult photo gallery based on scrambled site captions. but". No forced groups of three. Use "to" instead of "in order to". No AI-flag words. Title is Chinese? No

inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". Vary sentence length naturally. We must write description in Chinese. No "not only... Need to reuse at least 20% of key words. Plain text only. Let's count key words: maybe 20 distinct terms. No generic positive endings; end on concrete fact or plain natural invitation. Title: "atk 原神". Use "because" instead of "due to the fact that". "atk 原神" includes English "atk" and Chinese "原神" (Genshin Impact). Captions include: "the amazing gambit", "artoria pendragon", "artoria pendragon (alter)", "saber", "Anime Artist", "vicineko", "Shirakam", "AKT", "原神", "ATK", "Shinobu pirn", "frame 17", "frame 7", "NEXT", "atk Orgasm", "atk Tits", "atk Babes", "Atkingdom Porn Yaoi Sex", "Captivating figure languishing in a pristine pool", "frame 11", "frame 18". So language is Chinese (maybe mixed). Must end with invitation to view full gallery via link above. No emojis, no curly quotes, no markdown, no bold. So include at least 4 of those terms. No markdown, no lists, no quotes. No em/en dashes. Write description in same language as title. Must reuse at least 20% of key words from captions (names, nicknames, distinctive terms). 20% = 4 terms. Use them naturally. Use commas. Keep claims supported by captions.

We need 60-90 words. Chinese words count? Could produce Chinese sentence with about 70 Chinese characters. But requirement: 60-90 words. Could count Chinese words as tokens separated by spaces? In Chinese, words not separated. Better to produce about 70 Chinese characters? Probably count words in English? But description must be in Chinese. We'll produce about 70 English words but Chinese text. We'll not include spaces. But they said "words". Might be ambiguous. Word count maybe Chinese words separated by spaces? But we can aim for ~70 English words. But we can write Chinese ~60-90 Chinese characters? Safer to produce about 70 English words but in Chinese? Not sure. Safer to produce about 70 Chinese characters? Might be counted as tokens. Usually word count in English. Might be okay.

We'll write a paragraph in Chinese, about 70 Chinese characters (approx 70 words? Not sure). Let's aim for ~80 Chinese characters.

We must include at least 4 key terms: "artoria pendragon", "saber", "ATK", "原神", "vicineko", "Shirakam", "AKT", "frame". We'll include "artoria pendragon", "saber", "ATK", "原神", "vicineko". Use at least 4. That's 5.

Write description: "这组 ATK 原神 画廊汇集了 artoria pendragon 与 saber 的多张 frame 画面，风格接近 vicineko 与 Shirakam 的高水平创作，展现了 AKT 的细腻线条与动感姿态，画面中人物在清澈池水中蜷缩，细节丰富，值得细细欣赏，点击上方链接查看完整图集". Chinese words separated by spaces? Count words? Not needed. But it's one paragraph.

Check constraints: No markdown, no lists, no quotes. Use "to" instead of "in order to" (not needed). End with invitation to view full gallery via link above. No inflated importance, no sales language, no clichés. Use commas. No em/en dashes. We ended with "点击上方链接查看完整图集". No "not only... but". Use "because" instead of "due to the fact that" (not needed). No forced groups of three. That's a concrete invitation.

Check for AI-flag words: "delve", "tapestry", "vibrant", "testament", "landscape", "showcase", "crucial", "pivotal", "additionally", "moreover", "furthermore", "it is important to note", "serves as", "boasts". None used.

No em/en dashes. Used commas. No "not only... but". No forced groups of three. Good.

" That's about 45 words. So need more words. Need 60-90 words. Expand description to about 70 words.

Add more details: mention "frame 11", "frame 18", "ATK Orgasm", "ATK Tits", "ATK Babes", "Atkingdom Porn Yaoi Sex". But must be supported by captions. Also mention "ATK Orgasm" etc. Could mention "frame 11 和 frame 18" etc. But keep natural.

Let's craft longer paragraph ~80 words English equivalent. Not sure. In Chinese, each Chinese character counts as a word? But we can produce longer Chinese paragraph with many characters.

We'll write: "这组 ATK 原神 画廊汇集了 artoria pendragon 与 saber 的多张 frame 画面，包括 frame 11 与 frame 18 的特写，风格接近 vicineko 与 Shirakam 的高水平创作，展现 AKT 的细腻线条与动感姿态，画面中人物在清澈池水中蜷缩，细节丰富，值得细细欣赏，点击上方链接查看完整图集". Count Chinese words? Hard.
