About This Collection

We need to write a short enticing description (60-90 words) for an adult photo gallery based on scrambled site captions. Usually they'd expect English. Title is presumably English? Title is "caardofanz". Write description in same language as title, regardless of captions language. "caardofanz" looks like a nonsense word but language is ambiguous. It is not obviously a language. Since title contains only letters, no language clue. " Title is "caardofanz". Possibly treat it as English? We'll write in English.

We must reuse at least 20% of the key words from the captions (names, nicknames, distinctive terms), translating the rest as needed. So we need to include some of the names: Tif, dallasmilkman, Jr, 17kJr, zodnwy, jaylin, cardo, Christian, ChrisOwOsup, Alexa Flaxi, jaylInn, NATHAN, Shivthakare, Monroeefantasys,

FreakztaT, Yeezy00215385, etc. At least 20% of key words: need to count key words? We'll include maybe 5-6 names.

We cannot use AI-flag words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". No forced groups of exactly three items. No emojis, no curly quotes, no markdown, no bold text. No generic positive endings; end on a concrete fact or a plain natural invitation. Use "to" instead of "in order to". Also cannot use em or en dashes. No "not only X but Y". No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". Use "because" instead of "due to the fact that". No "At its core". Vary sentence length naturally, state things directly, keep every claim supported by provided captions.

We must end with a natural invitation to view the full gallery via the link above. So something like "Click the link above to see the full set." Must be plain text.

We need 60-90 words.

Let's craft about 70 words.

We need to ensure we don't use prohibited words.

Check each sentence.

We must not use em dash — or en dash —. Hyphen is allowed? Probably okay, but safer to avoid dash. Use hyphen? Use commas.

We must not use "and" in groups of exactly three items? Actually "forced groups of exactly three items" meaning we should not have exactly three items in a list? Safer to avoid listing three items with commas like "A, B, and C". We can avoid that.

We must not use "not only X but Y". Avoid.

We must not use "At its core". Avoid.
