About This Collection

The Egoiste WC Train 2 sequence continues with a voyeuristic view of intimate encounters in a public toilet, where a dazzling Asian woman and her inamorato share passionate kisses while the action grows increasingly unconventional. Elsewhere, a mistress punishes her slave by using him as a toilet, and the compilation adds amateur public restroom footage, masturbation, doggystyle sex, and a cousin's explicit encounter. Explore the full Egoiste WC gallery through the link above.
