About This Collection

We need to write a short enticing description (60-90 words) for adult photo gallery based on scrambled site captions. Must not use em/en dashes, not use "not only X but Y", "At its core", forced groups of exactly three items. Those are English words; we need to include them exactly as given, presumably within Chinese text. No emojis, no curly quotes, no markdown, no bold. Also must include these exact words where natural: deepthroat, deepthroattraining, facefucking, fuckface, gagging, gaggi, guarda, gratis, quot, blind, date, turns, into, cuckold, session. Must reuse at least 20% of key words from captions (names, nicknames, distinctive terms). Must be in same language as title: "圆脸馨儿" which is Chinese. No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". Must naturally reuse at least 20% of key words from captions, translating rest as needed. Use "to" instead of "in order to"; "because" instead of "due to the fact that". No generic positive endings; end on a concrete fact or plain natural invitation. So description must be in Chinese. Must not use AI-flag words list. Plain text only.

We need 60-90 words. That is ambiguous. So we need to reuse at least 20% of key words. ting", "video by Arab-mimi cam model adsbytrafficjunkycontext", "张雪馨 国模 大尺度 私拍 现场", "na hotties having fun with a serf", "MMullinsdy's tweet video", "4K", "圆圆的", "59K", "Порно видео с тером Минет". Probably we need to include a decent number of distinct words from captions. But we can aim for ~70 Chinese characters? But we can include several Chinese key words like "圆脸馨儿", "口交", "深喉", "捆绑", "自拍", "少妇", "白浆", "VIP". But they ask words. Must ensure at least 20% of key words from captions are reused. Must include the required exact words: deepthroat, deepthroattraining, facefucking, fuckface, gagging, gaggi, guarda, gratis, quot, blind, date, turns, into, cuckold, session. But we are writing Chinese, but they count words maybe separated by spaces. We'll include English words as required. That's 15 words. So key words: "圆脸馨儿", "馨颖", "捆绑", "口交", "深喉", "facefucking"? Let's count unique key words from captions: maybe 30-40. But also include the required English words. We'll produce a paragraph with maybe ~80 words (including English words). Also reuse at least 20% of key words from captions. Chinese words count? Usually words count in English. We'll include maybe 10 Chinese key words. Also "Guarda gratis", "Blind Date Turns Into Cuckold Session". 20% would be ~6-8 words. Actually "Deepthroat", "DeepthroatTraining", "FaceFucking", "fuckface", "Gagging", "gaggi". Probably count English words. Must include them naturally. That should satisfy.

We must not use any AI-flag words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". Avoid those.

No em/en dashes. Use commas.

No "not only X but Y". No "At its core". No forced groups of exactly three items. So avoid three-item lists.

Use "to" instead of "in order to". But we are writing Chinese; but we can include English "to" and "because" if needed. Use "because" instead of "due to the fact that". But it's okay.

No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". So keep plain.

No generic positive endings; end on a concrete fact or plain natural invitation. So end with something like "view the full gallery via the link above". That is a concrete invitation.

No emojis, no curly quotes, no markdown, no bold.

We must vary sentence length naturally, state things directly, keep every claim supported by provided captions.

We need to produce a single paragraph (one paragraph). We need 60-90 words. 60-90 words. Since we will mix Chinese and English words, each token separated by spaces counts as a word. Let's count approximate words. Let's aim for ~75 words.

We need to include required English words exactly: deepthroat, deepthroattraining, facefucking, fuckface, gagging, gaggi, guarda, gratis, quot, blind, date, turns, into, cuckold, session. So we must include those exact lower case words. Provided lower case except "DeepthroatTraining"? They must appear exactly as given (case-sensitive? In the list: deepthroat, deepthroattraining, facefucking, fuckface, gagging, gaggi, guarda, gratis, quot,

blind, date, turns, into, cuckold, session. All lower case. That's 15 words. Actually they gave "deepthroattraining" all lower case? Good.
