About This Collection

The gallery brings Genshin Impact Hilichurls to life across a range of styles, from animated 1girl and 1boy scenes to detailed 3D renders. Some entries pair these creatures with bondage themes, and a few include cum sound effects for extra intensity. The collection mixes anime charm with bold adult energy, featuring both solo and paired moments. Hilichurl and Yanfei appear drawn by Milssak, while Churled Sucrose adds a fiery twist.
