About This Collection

Kahba centers on the Kaaba in Mecca, Saudi Arabia, the black cuboid with gold embellishments where pilgrims gather for Hajj and Umrah. Architecture, worship and movement combine in a collection shaped by sacred tradition. Caroline and her husband are introduced as a young bourgeois couple from Paris, while other images capture preparations for Hajj 1443/2022, a time-lapse Tawaf, Ramadan prayers and devotional music for Miladun Nabi.
