Brunette teen Nita Star receives a facial cumshot after anal

About This Collection

Nita Star appears with tan lines as she spreads her legs, revealing a wet pussy ready for action. The set also includes a brief moment of an 18-year-old procreation vibe with ass-fuck riding. In another scene she receives a facial cumshot after anal sex on a bed, and later she is seen wanting more from her star sessions. For the complete set of images follow the link above.
