About This Collection

Olivia Fleur, also known as oliviafleurx, brings her Mistress persona into scenes built around Femdom and Fetish play. One favorite moment arrives with a deliberately messy facial, while other clips find her in a secretary role, swinging her heavy tits close, speaking dirtily, or wearing lingerie and stockings for a Riding scene. The dates across her OnlyFans archive span 2022 to 2024, with ASMR, JOI, oil rub, and daily steps clips adding contrasting rhythms to the explicit action. View the full gallery via the link above.
