About This Collection

presidus

Step behind the elegant bedroom wall decor where white walls meet warm wood flooring, each illustration signed by owligatorstudios on itaku and crowned by the idol whose gaze holds the room. A barefoot adeleine shows off арабский национальный костюм made of a headpiece and tunic, while jungle comics from 1941 and a hypnotized hottie keep the mood playful. You can almost hear the soft steps on the flooring as shanti and messua pose near Переделкино, where the decor blends vintage charm with modern flair. View the full gallery above.
