About This Collection

seven gromwoid presents a curious blend of digital worlds, where Nozomi drifts between her home gallery and the shadowed halls of The Seven Dwarfs. The air hums with 900 plus animoo sketches, mixing fan art of Boku no Hero Academia with scattered buko fragments. Nozomi moves through it all, sometimes grom, sometimes home, always watched. Old 3D work from 2012 to 2014 pulses with low-poly charm, while Lineage 2s Seven Signs casts its embryo glow across pixelated dreams. Rain falls in Enschede at night, traced by Lolicon-Slurp, as Gamma Folk gather near rusted neon. Step into the full gallery above to see more.
