About This Collection

Rain hammers the улице, льет as if from ведра, and with нечем заняться, поэтому I dove headfirst into this archive. This gallery is pure яой хентай манга energy: инцест and шотакон themes, plus elf boy threads, тьян канда неко art, and a shortstack stud pouring milk. I find pics that blur first time innocence with raw gay intensity. That thread alone makes it essential. Click the link above and explore the full gallery.
