About This Collection

Amoxi Olvera brings a galaxy of Star Wars flair to these laptop backgrounds, mixing classic Darth Vader silhouettes with the neon glow of Coruscant streets. Each image balances bold action with subtle detail, letting you explore legendary moments while staying productive. The collection blends Rouge One planets, animated star fields and sleek cityscapes, all rendered in high definition for desktop and iPhone screens. Dive into the full gallery above and see how Star Wars aesthetics meet modern design.
