About This Collection

Sunday and Gallagher face each other in a tense, intimate scene that lives up to the title Two Left. Drawn by artists like xtlusart, ruebird, and xuv4io, the gallery explores the complicated dynamic of these two characters in a setting that feels both familiar and fresh. Whether youre into the slow burn of their conflict or the explicit tension of their encounters, this collection delivers. The Honkai: Star Rail rivals trade sharp words and sharper glances, their rivalry simmering beneath the surface as the fanart captures every charged moment between them.
