## About This Collection

Step into Trooch's wild 3D universe, where Spidey-Gwen gets taken into all her holes, Claire Redfield answers a lost call, and Jessica Sherawat faces a Licker in a brutal extraction. From gangbangs to sleep paralysis, every fant@nari fantasy is rendered in stunning detail. Resident Evil icons like Ada Wong and Ayane join the action, while Charlotte is held hostage by the devious Joker in Gotham's shadowy VAM environments. Click the link above to view the full gallery.
