About This Collection

These goofy guys from Murder Drones get the fictiosexual treatment in a gallery that blends robot romance with anime chara charm. Cute murder drones Uzi and N bring the idea to life—pins, картинки, and дроны full of playful energy. From goofy smiles to intense poses, every pin captures a different fantasy. smg4 vibes meet high-res art, while the r34 side turns up the heat. Click the link above to see the full gallery.
