About This Collection

Valensiya Candydoll presents a collection where childhood innocence meets adult allure through Customized Initial Solid Gold necklaces and delicate 14K alphabet charms with birthstone details. The gallery captures intimate moments with bold styling, featuring pieces that blur the lines between playful charm and sophisticated sensuality. These images explore the intersection of jewelry design and personal expression, with models posing against minimalist backdrops that emphasize form and texture. Models like Stella Stapleton and Vanessa Perrin appear alongside artistic redressed dolls and fashion-forward imagery. View the complete Valensiya Candydoll gallery above.
