Upgrade.

Dark Souls Emerald Herald Hentai.

Dark Soul Hentai.

About This Collection

The gallery gathers Dark Souls inspired scenes where the Maiden In Black appears in a sleek anklet while a Jabberwock demon fuels raw hentai action. Each clip blends 3D animation with webm loops offering a raw look at the series’ darker erotic side. Sweet Cheeks plays through the DLC and the collection pulls frames from Danbooru and Black Souls 2 explicit cuts. Click the link above to view the full set.
