About This Collection

Borikori's full color work follows Ha Jeong, a gyaru with piercings and big breasts, through scenes that run moderately risky. In the club she works the floor, then the Cam Girl chapters turn the camera on her. Nakadashi and blowjob panels fill out the longer stories, some running 70 pages, others 138. The life of the disgusting Ha Jeong leans into drugs and late club nights. See the full gallery through the link above.
