About This Collection

Crydiaa opens with Raora Panthera in a hedgehogs4hent1 drawing, then shifts to Aiko and big Riley in a scene by giide. Three tentacles prove too many for one model to handle, while Penelopecoyc and CoffeeChicken bring furry energy into the mix. Crynography and After party part 3 frame the bondage and cum details, with art from Scott Malin and yandam. Step through the link above to see the full gallery.
