About This Collection

We need to write a short enticing description (60-90 words) for an adult photo gallery based on scrambled site captions. Must not use em or en dashes; split sentence or use comma. Must not use "not only X but Y" constructions, "At its core", or forced groups of exactly three items. So description must be in Korean. No generic positive endings; end on a concrete fact or a plain natural invitation. No emojis, no curly quotes, no markdown, no bold text. Use "to" instead of "in order to"; use "because" instead of "due to the fact that". Must not use AI-flag words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". Must be plain text, no markdown, no lists, no quotes. Must be in same language as gallery title "야동링크" which is Korean. No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". Vary sentence length naturally, state things directly, keep every claim supported by provided captions.

We must naturally reuse at least 20% of key words from captions (names, nicknames, distinctive terms), translating rest as needed. Use Korean transliteration: "일본", "버니걸", "루루 추", "미사키 츠바사", "허니 버니", "TONV-011". sk", "Model Name: Hunny Bunny Age:27 (1997) Height: 168 cm (5'6")", "Advertisement". But must be in Korean description. So we need to include at least 6 key words from captions. We need to reuse at least 20% of key words. We can transliterate names. Let's count key words: maybe 30 distinct key words. Could include "Japanese", "bunnygirl", "Lulu Chu", "Misaki Tsubasa", "Hunny Bunny", "TONV-011". 20% = 6 words. That's 6 distinct terms. Good.

We need 60-90 words in Korean. Let's aim for ~75 words. " That's a plain invitation.

We must avoid prohibited words. Ensure not using any of the AI-flag words. Safer to avoid them. Also avoid "또한", "게다가", "더욱이" (these are Korean equivalents of "additionally", "moreover", "furthermore") - they are not explicitly listed but they are similar. Use simple sentences.

No em dashes. Use commas.

No "not only ... but also". Avoid.

No "At its core". Avoid.

No forced groups of exactly three items. So avoid listing three items in a row.

Use "to" instead of "in order to" - but in Korean we use "위해" maybe. But rule is English; but we can just not use that phrase.

Use "because" instead of "due to the fact that". In Korean use "때문에".

No inflated importance, no sales language, no clichés like "숨겨진", "놀라운", "잊을 수 없는". Avoid.

No generic positive endings; end on concrete fact or plain invitation.
