About This Collection

See what the models are wearing off-duty during fashion week, trading the runway for the cabana pool bar and city nights. From New York ICONS parties to exotic trips, the gallery blends model-off-duty charm with a pop-star pulse. Mika leads the frame with effortless cool, a minute of growing climate-resilient cotton with Materra's master farmers echoing backstage as she moves through days of shows and photo calls. Step into this fashion land and explore the full gallery via the link above.
