About This Collection

We need to write a short enticing description (60-90 words) for an adult photo gallery based on scrambled site captions. Must be plain text, no markdown, no lists, no quotes. No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". Must end with a natural invitation to view the full gallery via the link above. No "At its core". Must reuse at least 20% of key words from captions (names, nicknames, distinctive terms), translating the rest as needed. No forced groups of exactly three items. No AI-flag words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". No generic positive endings; end on a concrete fact or a plain natural invitation. No em or en dashes; split sentence or use comma. No emojis, no curly quotes, no markdown, no bold text. Use "to" instead of "in order to"; use "because" instead of "due to the fact that". No "not only X but Y". Vary sentence length naturally, state things directly, keep every claim supported by provided captions.

The gallery title is: "fsdss-735". Title is lower-case letters and numbers: "fsdss-735". Write entire description in same language as this title, regardless of captions language. That's English characters; so description should be in English.

We need to reuse at least 20% of key words from captions. Must reuse at least 20% of these key words. Let's count approximate number of distinct key words: maybe around 15. SH", "Jav Guru". Also "Nakadashi Slave". We'll reuse "FSDSS-735", "Ranna Fujii" (or Ranran Fujii), "Two Days of Training", "Nakadashi Slave", "Creampie", "Doggy", "Blowjob", "Cowgirl". So need at least 3 key words reused. 20% of 15 = 3. Ensure we reuse at least some.

We need description 60-90 words. Let's aim for ~75 words.

We must not use prohibited words. Avoid "moreover". Avoid "At its core". Safer to avoid listing exactly three items. Avoid "serves as". Avoid "additionally". That's three items; that might be considered forced group of exactly three items. Also avoid "showcase". So maybe say "Doggy, Blowjob and Cowgirl" still three items; maybe better to phrase as "including Doggy, Blowjob, Cowgirl scenes" still three. Might be considered a forced group? Avoid "furthermore". Avoid "crucial". Avoid forced groups of exactly three items (so avoid listing exactly three items like "Doggy, Blowjob, Cowgirl"? Avoid "delve", etc. Could list two items or more than three but not exactly three. Avoid "it is important to note". Safer to mention only two of them or phrase differently: "featuring Doggy and Blowjob scenes" etc. Avoid "boasts". Avoid "not only X but Y". Could use "Doggy, Blowjob, Cowgirl" is exactly three. Better to say "Doggy, Blowjob and Cowgirl" still three items but maybe considered a group? " So avoid exactly three items in a list. We'll avoid exactly three.

We cannot use em or en dashes; use commas or split sentences.

We need to end with a natural invitation to view the full gallery via the link above. So something like "Click the link above to see the full set." That's plain.

We must not use generic positive endings; end on a concrete fact or a plain natural invitation. So ending with invitation is okay.

Now craft description.

We need to reuse at least 20% of key words. Let's include: FSDSS-735, Ranna Fujii, Two Days of Training, Nakadashi Slave, Creampie, Doggy, Blowjob. That's many.

Now produce paragraph ~75 words.

Check for prohibited words: "showcase" no. "tapestry" no. "not only X but Y" no. "serves as" no. "pivotal" no. "unforgettable" no. "breathtaking" no. Use "to" instead of "in order to". "At its core" no. "delve" no. "testament" no. "it is important to note" no. "additionally" no. "vibrant" no. "landscape" no. "boasts" no. "furthermore" no. "moreover" no. "nestled" no. "crucial" no. Use "because". Avoid em dashes.
