About This Collection

Kotone Fuyue carries the gallery from start to finish: a petite Japanese schoolgirl in twin ponytails, then a girlfriend who has been dating Taichi since school, now sharing a flat while the parents are away. A threesome follows, an aphrodisiac-slathered cock, a tight internal cumshot, and a stretch where she plays comforter for her brother, then toy for her uncle. Winter light runs through the uncensored cuts, and the scenes go until it is gone. Click the link above to watch the full gallery.
