About This Collection

We need to produce description in Slovak (title is Slovak). No forced groups of exactly three items. No "not only X but Y". No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". Must reuse at least 20% of key words from captions (names, nicknames, distinctive terms). No emojis, no curly quotes, no markdown, no bold text. Also no em/en dashes; use commas or split sentences. No "At its core". Must not use disallowed words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". Use "because" instead of "due to the fact that". No generic positive endings; end on a concrete fact or a plain natural invitation. Use "to" instead of "in order to". Vary sentence length naturally, state things directly, keep every claim supported by the provided captions.

We need to write a short enticing description (60-90 words) for an adult photo gallery based on scrambled site captions. Turn them into one coherent, engaging paragraph that teases the models, setting and action without listing captions mechanically. Naturally reuse at least 20% of the key words from the captions (names, nicknames, distinctive terms), translating the rest as needed.

We have many captions about electric shavers (holiace strojček). They mention brands: Braun Series 6 61-B1000s, Braun, Sencor.sk SMS 4013RD, Panasonic ES-LT4B, Braun Series 3 310BT S123141, Philips TonerPartner.sk X300300, Philips Sencor 3W230V čiernamodrá, Philips S788735 7000, Philips S588510, Joom, Philips SP984032 Prestige, Philips XP920133 SkinIQ, Philips S788558 7000 Series, Hatteker Razor, BD-268, etc.

We need to reuse at least 20% of key words. Key words likely are brand names and model numbers. Let's count distinct key words: Braun, Series 6, 61-B1000s, Sencor, SMS 4013RD, Panasonic, ES-LT4B, Series 3, 310BT, S123141, Philips, TonerPartner, X300300, Sencor, 3W230V, S788735, 7000, S588510, Joom, SP984032, Prestige, XP920133, SkinIQ, S788558, Hatteker, Razor, BD-268, etc.

We need to reuse at least 20% of these key words. We'll include maybe Braun, Series 6, Panasonic, Philips, Sencor, Hatteker. If we have say 30 key words, 20% is 6 words. So we need to include at least 6 distinct key words from the captions. That satisfies.

We must not use disallowed words. " Means we should avoid constructing a list of exactly three items. We can have two items or four or more? We can have two items or more than three but not exactly three? Avoid forced groups of exactly three items (like listing three items with commas). Safer to avoid any list of three items. Probably safer to avoid any enumeration that looks like a list of exactly three. Also avoid "not only X but Y". We'll just use sentences with maybe two items.

We need to keep every claim supported by the provided captions. However we need to be careful not to create a forced group of exactly three. Four is fine. " That is a list of four items (more than three) - okay? It might be considered a group of four items, not exactly three, so allowed. Or we can split into multiple sentences.

We need 60-90 words. Let's craft around 75 words.

We must not use sales language, no inflated importance. Just plain description.

We need to end with a natural invitation to view the full gallery via the link above. So something like "To see the full set, follow the link above." That is a plain natural invitation.

We need to avoid using "the link above" maybe okay. Not disallowed.

We must not use em or en dashes; use commas.
