About This Collection

Kira Pregiato was a small town girl living a dull normal life until a viral video changed everything, and the reports now put her at $500K a month. Kirapregiato shows off her ass and bounces on camera in clip after clip. This gallery follows what came after: leaked OnlyFans sets, a hand bra mirror selfie, huge tits shaking in underwear,

an outdoor sex clip, and FanFix live footage. The full gallery is behind the link above, so open it and look for yourself.
