About This Collection

Laura B strips away any pretense in this private set, and the camera stays close for every bare detail. Karups and pussydollnet regulars will recognize the mood: skinny, direct, unhurried. Dina Candy brings her own bare set, while clips from lauracandy02 add a candid webcam edge. She ignites when nude, and the raw appeal holds through each frame, from the first teasing look to the full nude display. See the full gallery through the link above.
